INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Sir:

I desire to call your attention to the fact that the Hon. John Gunter, Senator, was one of my witnesses in case to establish my claim to being a true descendant of the Cherokee Indian Tribe at Vinita I. T. in the year 1907 and his testimony will be found among the records in this case. I write to call your attention to this because I am in receipt of a letter from the Indian Department stating that the records in my case had not been considered by the Dawes Commission.

I think I have my case well proven as to all the details and I believe that the Department will do justice if the facts reach the proper people,

My case was considered by the Senate in Talequah, I. T. in 1905 and therein I was unanimously voted to be a member of the Cherokee Tribe of Indians and the proceedings were published in the official newspaper of the Cherokee Tribe. The above proceedings were had in the senate.

No. 19252.

John Riddle being first duly sworn deposes and says:

I am 45 years of age, and live in Ashe County, N.C. I claim Indian blood. All my people and other old people say it is Cherokee Indian blood. I claim through my father. My mother had no Indian blood. I do not know when my father died. My father left my mother before I was grown, and they heard that he was dead. My mother was a white woman. My father, William Riddle, was born in Ashe County, and lived here a large part of his life. I never heard of his receiving any money from the Government on account of his Indian blood. I think my Indian blood came through my father's mother. I do not remember now, what her name was. She has been dead a long time. I have seen her while she was living in Ashe County. In my application I said that her name was Sarah Riddle, and that must be right. My grandparents claimed to be Cherokee Indians. I am related to the Sizemores, but I cannot say what Sizemore. I do not know who Em Sizemore is. My grandfather Sawyers, on my mother's side wrote my family history down for me, and Mr. Graybill filled out my application from that. My father died in Kentucky I was told.

Commissioner of Indian Affairs,
Washington, D. C.

Dear Sir:-

Two or three weeks ago I mailed applications of the following named persons to share in the fund awarded by the Court of Claims to be distributed to the Eastern Cherokee Indians:

✓ Barbra Lucinda Graham,	of Cherryvale, Kansas.
✓ William Henry Graham,	" " "
✓ Philip Andrew Graham,	" " "
✓ Harvey Dillard Graham,	" " "
✓ Alonsa Graham,	" " "
✓ Ada Catherine Graham,	" " "
Susan M. Gregory	" Tecumseh, Okla.
Lula C. Graham	" " "

Since sending same to you I have received some additional information that will materially aid in the proving of these claims, as well as expedite matters, and am herewith enclosing new applications for all except the last two persons named, which will be sent separate.

I have a niece that sent in her application after the above mentioned ones were sent in and she has received her number of filing, and none of the above persons have. My niece's application was filled out a little more fully than the others, and I thought perhaps that was why they had not heard in regard to theirs, and is the reason of my securing additional information and making new applications.

Very truly yours,

Asa Graham

My Mothers Side to her Cherokee descent her great
Gran Father's name was Marge or Horse that was
all the name he ever had so far as she knows.
he was considered to be a full blood Cherokee.
My Gran Mother was claimed to be a half blood
and My Mother was understood to be one fourth
Indian blood, and my Father was a white man
and My husband is a white man and I reckon
I am one eighth Indian blood and I take
My children to be about one sixteenth Indian
blood. We nor any of My Parents or Relations
as far as I know or ever heard ever were
held as slaves by Indians, or White People.
I dont know one thing about why neither
of My Parents or Grand Parents were on the
Cherokee Rolls of 1835 and 1857. if they were not
I dont know. My gran Parents may have
been enrolled or not I dont know.

If any of My ancestors ever participated
in any old settlers payment, I dont know
it I never heard of it, at any time, or any
where. I never have been enrolled by the
Daves Commission I never have been enrolled
As I was young and living in Texas, I had
but little idea of the importance or purposes
of such enrollment, and My Father a white man
never took any interest in our rights because of
our Indian blood, and he objected to us trying
to get our rights through our Indian blood.

Madam:-

Replying to your letter of May 7, 1907, addressed to the Honorable Commissioner of Indian Affairs, you are advised that it is impossible to state, at the present time, just when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, as the Court of Claims in its order of April 29, 1907, an abstract of which is herewith inclosed, has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 22,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

Very respectfully,

Special Commissioner.

I am 41 years of age. I was born in Jackson County, Ala. I claim my Indian blood through my father. I have always been told that my father was born in Jackson County, Ala. I have never been enrolled by a government agent nor paid any Indian money. I never heard of Hester, the government agent, in 1884. My father told me I was one-quarter Cherokee Indian. My father never received any Indian money that I know of; he was a recognized white man and a voter. I never saw my grandfather. I was told my grandfather came from North Carolina and was one-half Indian. I am a recognized white man and a voter. My father told me that my grandfather, Hiram Gibson, was in the Civil War. I never heard them say that my grandfather lived with the Indians. I have two uncles from Jackson County, Ala., who went West and were allotted land. My father had no Indian name that I know of and my great-grandfather's Indian name was Thrasher. I do not know whether or not he or my grandfather were living in 1835.

Ellen B. Malone,

Madam:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please state whether or not you claim any Cherokee descent through your mother. If so, set out the same.

Why does not the name of your father appear on the Cherokee roll of 1851? If he was living in 1835, why was he not enrolled with the Cherokees at that time? Explain this fully.

There is a John Williams on the Cherokee roll, but taken in connection with other members of the family, he does not appear to be the John Williams you mention as being your father. In order to determine your case it will be necessary for you to furnish us, if possible, with the names of your grandparents on your father's side; the Indian name of your father (if he had one) and the names of his brothers and sisters.

Kindly trace your Cherokee descent fully through each ancestor through whom you claim, giving the degree of Cherokee blood you claim each possessed.

Were you ever held as a slave? Were either of your parents ever so held? If so, state whether by white people or Indians.

#19283- ELLEN L. DORSETT, being first duly sworn, deposes and says:

My name is Ellen L. Dorsett, am 53 years old, live at Winston-Salem; was born in Forsythe County. I am an Eastern Cherokee Indian by descent through my mother, Polly Scott. My mother was born in Forsythe County; she was about 76 years when she died in 1887. Her father was Chas. Scott and mother Rebecca Scott. I claim Cherokee descent through Chas. Scott. I don't know where he was born. I never lived among the Indians. My mother I don't think ever lived among the Indians. I really don't know what relation Betty Pledge Poindexter--I guess she was my great grand mother. I got my information in my application from my older kin people. I can't tell for certain when I first heard of Chief Donohoo-- over twelve months ago. I first heard of Donohoo in connection with this matter about 12 months ago, but had heard of him otherwise before that; I first heard of him when I was 17 or 19 years old. I don't remember what I heard; just heard of him; talking about his land; heard that he was an Indian. I ~~never~~ don't remember hearing anything about the tribe of Indians he belonged to at that time. I heard about 12 months ago about the tribe of Indians he belonged to-- when this matter first came up-- that I remember. I never learned where Donohoo lived nor died; I never paid any attention to it and don't remember. I have heard tell of the Catawba Indians. Don't remember hearing of the Tuscarora Indians. I never heard of the Catawba Indians in connection with Donohoo. I have heard the name of Chickasaw Indians. I have heard of Donohoo Indians since I was a girl, but never heard of his being connected with the Cherokees until this claim. I did not know I was any kin to him until then. A John Scott, ~~was~~ of Winston, would know more about this claim than any one I know; he was raised among the Scotts. I never knew I was of Cherokee blood until about a year ago. I don't know anything about the Indian enrollments.

Replying to your letter of April 16, 1907, you are advised that the applications of Dora, Carlton, Estella and Arnold Blalock have been received, and card receipts have been mailed to each of these parties.

GIVE ME THE INFORMATION YOU CAN FIND IN THE RECORDS OF THE BUREAU OF INDIAN AFFAIRS, RELATIVE TO THE APPLICATION FOR NATURALIZATION OF JOHN ESTER, MADE ABOUT 1827.

WAS YOUR RECORD ON ESTER'S APPLICATION MADE IN THE BUREAU OF INDIAN AFFAIRS, AND ALSO SUBMIT ON THE CHEROKEE RECORDS OF THE BUREAU OF INDIAN AFFAIRS, THE NAME OF JOHN ESTER, AND THOSE OF HIS PARENTS?

GIVING THE INDIAN AND ENGLISH NAMES OF SUCH ANCESTORS AND PARENTS AND OTHER ANCESTORS AS FAR BACK AS YOU CAN ON THE LINE?

KINDLY TELL ME, CHEROKEE RECORDS SHOW THAT JOHN ESTER'S GRANDFATHER WAS JOHN ESTER, OF THE EASTERN CHEROKEES; DOES THIS SHOW WHETHER OR NOT HE WAS DERIVED FROM THE INDIAN?

Relative to your application for naturalization in the year 1827.

Sir:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, please state whether or not you claim any Cherokee descent through your mother. If so, set out the same.

Kindly trace your Cherokee descent through your father, grandparents and other ancestors as far back as you can on that side, giving the Indian and English names of each ancestor and stating the degree of Cherokee blood you claim each possessed.

Why does not the name of your father and those of your grandparents on your father's side appear on the Cherokee rolls of 1835 and 1851? Were your parents or grandparents ever held as slaves? If so, state whether by white people or Indians.

Give all the information you can tend to establish your rights to participate in this fund.

Very respectfully,

Special Commissioner.

COURT OF CLAIMS
EASTERN CHEROKEES
Rec. JUN 3 1907

No. 19305-19302.

John W. Hicks, being first duly sworn, deposes and says:

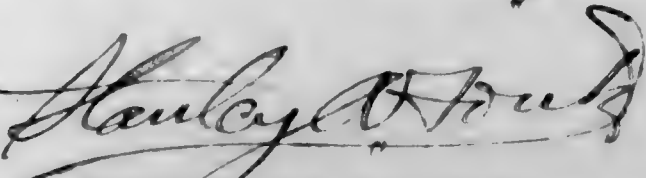

My name is John W. Hicks and I reside at Gainesville, Ga. I was born in Anniston Co., S. C., in 1861. I claim relationship to the Cherokee Indians through my mother, Martha Hicks, who was a quarter Cherokee Indian, her maiden name being Martha Carroll, and she claimed through her father, John Carroll, who was a half Cherokee Indian. My mother was born in Abbeyville Co., S. C. about 1819. My grandfather was also born in Abbeyville Co., S. C. and died in 1859. My mother told me that she was raised among the Indians and lived among them when she was a girl and that she was a descendant of the Cherokee Indians. My mother had all the appearances of an Indian, and she often told me about my grandfather and that he lived among the Indians. I remember when I was small that about six or seven Indians visited our home; they claimed they were Cherokee Indians. These Indians were making baskets and going from place to place selling them. They recognized my mother as an Indian and would talk to her in the Indian language. She told me that those Indians were my connections and that she came from the same tribe. I do not know whether my grandfather had any brothers and sisters but my mother had several brothers and sisters; they are all dead. These brothers and sisters had children, but I think pretty much all of them are dead. All the old people who knew my mother and grandfather are all dead. My wife, who is here present, was born and raised in the same part of the country that I was, and can testify that I was always known as an Indian. I do not know why my ancestors were never enrolled; my mother never received ~~me~~ any money from the Government; I don't know whether my father did or not. My people have always been recognized as white people.

"It is further ordered that the said roll of individual Eastern Cherokees entitled to share in the fund arising from the judgment in this cause, as reported by Special Commissioner Guion Miller, on the 28th day of May, 1909, be and the same is hereby approved, ratified and confirmed, except as to so much of the same as shall be specially excepted to on or before the 30th day of August, 1909. In re case of

Martha Stewart.

Martha Stewart being first duly sworn deposes and says:

My name is Martha Stewart, and as I am 74 years old. I live in Terra Haute, Ind. I have lived there about 50 years. I know Serena Dillard, #19318. I know Aminda Christy, #19556. They are my own daughters. I claim to have Cherokee Indian blood through my mother. My mother's mother was also a Cherokee Indian. I do not know whether she was a half or a full blood. I was born in Sampson County, N.C. I was about 16 years old when I left N.C. and came here. My mother was named Charlotta Hardin before her marriage. She was born in Sampson County, N.C. My mother has been dead about 24 years. She left N.C. at the same time I did. She was 67 years old at the time of her death. I always heard her say that her mother was a Cherokee Indian ever since I can remember. She never mixed with the tribe back in N.C. that I can remember of hearing about. There may be a little English blood in my family through my mother. But my father who did not claim any Indian descent had some colored blood. My grandmother was named Silfa Hardin. I have often seen my grandmother. I remember her as a child. She died down in N.C. in Sampson County. She was born and raised there and I never heard of her being anywhere else. Neither my mother or my grandmother ever got any money from the Government on account of their Indian blood. I never saw any Indians in Sampson County, not until I came up here. I never heard of my grandmother visiting the Indians. Nor do I remember of any Indians coming to my mother's house. None of my ancestors were ever held as slaves.

Chief Clerk,

Dear Sir,

I recd your letter in
reply to your inquiry
I do not make any
claim of Cherokee de-
cent through my father
I do not know ~~or~~ have
any way of why my
mother's name or my
grandparents' name
does not appear on
such a roll. I was never
a slave nor my parents
or my grandparents or

any of my folks that I
know of.

I have often heard my
mother say that my Great-
grandmother was a Che-
rokee Indian and an
Indian doctor. My grand-
father on my mother
side Silas Shoecraft was
a fifer in the Jackson
war. My great grand-
mother's name was
Tabitha Nickum. This is
to my best remembrance
I have relatives living
here that knew my
parents and grandparents
in North Carolina.

#19321.

Alvarian Shoecraft being first duly sworn deposes and says:

My name is Alvarian Shoecraft, and I live in Muncie, Ind. I am 68 years old. I claim Cherokee Indian descent through both my father and mother. My father is Silas Shoecraft. He died about three years ago in Chicago. He was born in Guilford County N.C. and moved from Guilford County to Wayne County, Ind. I was born in Guilford County and was about 2 years old when we moved to Ind. My father was supposed to be about 85 or 90 years old at the time of his death. They called my father a 1/2 blood Cherokee. He was recognized as a colored person in the community in which he lived. He was never held as a slave that I ever heard of. My father never received any money from the Government on account of his Indian blood. My father used to associate with the Indians, he did not live with them but went visiting around among them. I have heard father say that the Indians visited him. Jerinia Shoecraft, #15914, is my uncle. ~~My father~~ My father Silas Shoecraft, was a blacksmith in Wayne County, Ind. and various people around owed him money which he could not collect. He was recognized as a colored man in the community in which he lived and on his filing suit against the debtors they filed that he was a colored man, and could not testify against a white man. This issue being tried the Court held that he was a Cherokee Indian and was entitled to testify the same as a white man. I have heard my father say this. ~~My~~ Rebecca Shoecraft was a sister of my father. She married Alexander Mitchell, and their children were Elias Mitchell, and Jonathan Mitchell, #27218, and Jane Wallace, #15215, Mary Peterson #21056; Her second husband was John Jones and their children living are Silas Jones, #19319, John Henry Jones, #30942, and Josephine Pearson #

That the affiant is the uncle of the claimant, Alvorian Shoccraft and that affiant's father Silas Shoccraft who was the Grand-father of the claimant Alvorian Shoccraft. Moved from Guilford County North Carolina about the year 1841, and located at Richmond Indiana, and that is why that this part of the family was not enrolled with the eastern Cherokees in 1835. That we were separated so far from our relatives in North Carolina and no correspondence was kept up at no time and owing to our ignorance of a fund arising from the judgement of the Court of claims where we would be interested had not been thought of. That the affiant's Father Silas Shoccraft and claimant's father Silas Shoccraft, who was a son of the former had never been in slavery. - Affiant declares that his Grand-father William Shoccraft was a full-blood Cherokee Indian who married By the Nickens who was also a Cherokee Indian and affiant's father was a full-blood Cherokee Indian, who married Mary Deceter a white woman. - The claimant's grand father William Shoccraft, was the father of the affiant. Honorable J. A. M. Adair,

Sir:

Your letter of January 8, 1910, inclosing a communication from Mr. Alvarian Shoecraft, of Muncie, Indiana, relative to the Eastern Cherokee Enrollment, has been referred to me for reply.

You are advised that the claim of the said Alvarian Shoecraft was reported by me in May last to the Court of Claims for rejection, for the reason that it did not appear that this claimant or any immediate ancestor was enrolled with the Eastern Cherokees in 1835 or in 1851, or that said claimant was ever recognized as a member of the Eastern Cherokee tribe.

On January 5, 1910, I reported to the Court upon the exceptions filed by said Alvarian Shoecraft, renewing the recommendation first made, that this claim should be rejected for the reason that the exceptions disclosed no additional material facts.

The Court of Claims will on Monday next take up for final consideration the exceptions to my report.

Very respectfully,

Special Commissioner.

Honorable J. A. M. Adair,

Sir:

I have the honor to acknowledge receipt, by reference from the Indian Office, of your letter of January 25, 1910, addressed to the Department of the Interior, and inclosing a communication to you from Mr. Alvarian Shoecraft of Muncie, Indiana.

In reply permit me to say that the claim of this party was reported by me to the Court of Claims for rejection on May 28, 1909, for the reason that the claimant failed to establish the fact that he was descended from an ancestor who was a recognized member of the Eastern Cherokee Tribe at the date of the Treaty of 1835-6. After this action on my part an exception was filed by the claimant and on January 5, 1910, I reported to the Court that after an examination of the exception no additional material facts were disclosed, and that my original recommendation was renewed. The Court has now under advisement all the exceptions filed to my report.

Mr. Shoecraft's letter is returned herewith.

No. 19323

EDWARD JENNINGS, being first duly sworn, deposes and says:

My name is Edward Jennings; I live in Winston-Salem; I am 53 years of age. I was born in Haywood Co., N. C. My mother's name was Polly Jennings. My father's name was Overly. They say my father was an Indian and my mother was a quarter. She was Indian and colored. I don't know whether she was held as a slave or not. I was never held as a slave. I never heard whether my mother was held as a slave or not. I did not live with my mother; I lived with Miss Bisham; I was found on her doorstep; she was a white woman, did not have any slaves, and had nobody but her son. I lived with her about 13 years and then she died. I don't know where my mother was all that time; I saw her once after that in Spartanburg Co.; she was living then at Johnson Branch, in Spartanburg Co. Mrs. Bisham's son told me it was my mother. She had been there after me is the way he knew it. I never saw my father. I don't know anything about him only what I have heard of other people say. Polly Jennings told me that I was her son, and told me who my father was. They told me that my father came somewhere between Boston, Massachusetts and Colorado, and that he was an Indian. They said he was a Cherokee Indian. His brother, for one, told me so; his brother's name was Overly; the only name I ever heard for my father was just Overly. I knew my Uncle Henry well; he lived in Haywood Co.; he was a whole lot of Indian. My mother was keeping house for an old lady named Aunt Tamer when I met her. My mother told me that they had to leave me on that doorstep, that they could not take me with her. She said that she left me so that I could be taken care of. I don't know where she went when she left me on the doorstep, but when I met her, she was in Spartanburg Co. I don't know what whether her parents were named Jennings or not; they named me that after her. She is dead. Polly Jennings is the only name I ever heard that she bore. I have no brothers or sisters; my sister died when she was about six years old, so they told me. Twenty-five years ago, I was in Pulaski City, Va. They say my mother was enrolled as an Indian once; Mr. Gosling told me so. He lived in Spartanburg, S. C. I was about 13 years old when I went to S. C. At that time, the woman who raised me was dead and I went out with her son, and he died on the road, on the air line road in Spartanburg Co., on the other side of Spartanburg. My mother was then on Johnson Branch in Spartanburg Co. I did not know she was there until after I got down there. It had been about eight years since I had seen my mother. That time was in Haywood Co. I had not heard from here between those two times. ~~Max and~~ Mrs. Bisham's son and I were travelling and came across to the R. R. and hired as water boys, and he saw her and knew her. We were down close to where she stayed about three weeks; that is the last I saw her down there. I saw her only three times. I never have seen my father at all. It came up through a talk one day that Mr. Gosling told me that my mother was enrolled. He said she was a quarter Indian. That was not the first time I had heard that she was an Indian. I do not know why she was enrolled. I don't know with what particular tribe of Indians she was enrolled, just enrolled as an Indian, I suppose. I understood that she was enrolled down at Spartanburg. I do not know who my mother worked for in Haywood Co., nor do I know anybody in Haywood Co. who knew my mother. I do not know anybody in Haywood Co. who knew my father. My uncle Henry ~~axarlan~~ Overly died about in 1875, in Tickers, S. C.

Sir you requested me to state my reason for
Thinking my mother was enrolled in 1851
which I will do as briefly as possible

1st I very well remember my mother telling me
when I was a little boy that her name had
been sent up for some Indian name
as she called it. She said it was sent when
she was a small girl

2nd my uncle Fielden H. Henslee my mother's
brother. also have told me many times
that my mother's name was sent up for enrollment
in 1851. my mother also had a little bible that
she said was sent her after her name was sent up.
she called it her Indian Bible

her name at that time was Elizabeth J. Henslee.

I can't say as to where her enrollment was.

These are the reasons I believe my mother was enrolled
in 1851

I have been taught from my youth that I had
Indian blood in my veins descended from my great
grandfather George W. Morgan.

don't know whether grand parents was ever enrolled
or not

Respt yours

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, kindly state why the names of your parents and grandparents do not appear on the Cherokee rolls of 1835 and 1851. Through which side do you claim your Cherokee descent? Please trace your Cherokee relationship through the source you claim, giving the full Indian and English names of each ancestor and stating the degree of Cherokee blood you claim each possessed.

Did either of your parents or grandparents ever participate in any Old Settler payment? If so, when and where, and under what names were they enrolled? Was either of your parents or any of your ancestors ever held as a slave? If so, state whether they were owned by white people or Indians.

Kindly reply promptly and refer to application #19333 with #19332.

Kind Sir
in regard to claim No. 19333
with No. 19332. I will say that I
claim my rights from my mother
and on back through my grand
mother, and through my great
grand-father - Henry Parker

Henry Parker one full Blood
Cherokee Indian, who was the
father of my grand-mother
Sallie Conley - who was one
full Blood - who was the
mother of my mother Hester
Harker - who was one half
Breed, which makes me $\frac{1}{4}$
Breed.

I have given you above their
English names and Blood I
claim. but as to their Indian
names I can not give. because
all the old race is dead and
gone with the exception of
one George Parker the son
of Henry Parker, and I can
not locate him the last
I heard of him he was in
Kansas I have tried to find
him through the mails but
can not.

as to my mother ever sharing in
my old mother's payment she did
not, or my grand-mother either

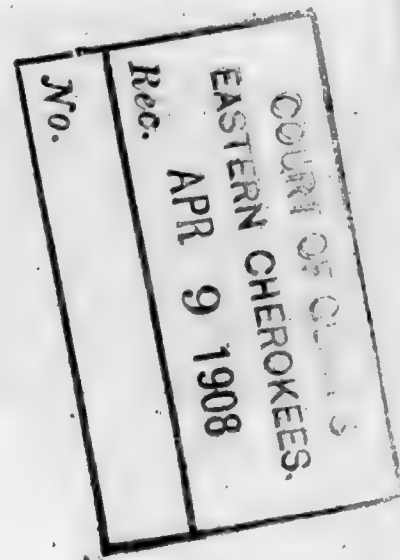

but as to my great grand-
father I do not know whether
he did or not.

as to any of my ancestors
being held as a slave I do not
know. but My Mother was
— Bound over to a man in
Jeffe County and also her
brother Jim Conley. George
Conleys father they were bound
to a white man. his name
I do not know. but can find
out if necessary. as to our
blood there is nothing but
white and Indian Blood.

I started my claim through
one Lawyer by the name of
H. Swanson. at Chant. Ind. Ter.
He got my affidavit and also
my witnesses. I guess he has
turned them in to the court
alright though.

If this statement and affidavits
is not alright to get my rights
I cant do any more. unless I
could make it plain to some
body to you. you might search
the Records and find the Indian
name. I think Hester Ford made an
affidavit for her claim several years
ago and she died pretty soon afterwards
she was Henry Parkers Daughter.
yours truly W. G. Harkey Sr. {over}

P. S. if my claim does not go
through alright please let me
know. if there is any other
evidence to get up on this claim
I will try to get it. there is
none that I know of now.
I do not want any thing but what is
right } Yours truly
W. G. Harlow Jr.

Miso.

Mose I. Harkey being first duly sworn, deposes and says:

My name is Mose I. Harkey, Jr. I live at Hobart, Ark. I was born in 1875 in Yell Co., Ark. I claim my Indian blood through my mother, whose maiden name was Esther Conley. My mother was 19 years old in 1875. I could not tell you where she was born. I don't know what state. Whether east or west. She was married in this country. My mother got her Indian blood through her mother, whose maiden name was Vallie Parker. I don't know where my grandmother was born. My mother said that Henry Parker was her grandfather.

~~My~~ Mary Ellen Davis told me that Henry Parker was my great grandfather, and that he was on the 1835 roll. She is 2nd cousin of mine. I think she has filed an application. *Miller* She claims through the same line as I do. She lived at ~~Coale~~ *Miller* Ark. when she filed an application. I don't know whether any of my ancestors ever ~~lived~~ lived with the Eastern Cherokee tribe of Indians. I never made application before the Dawes Commission. None of my ancestors ever received any money or land from the Govt. on account of their Indian blood, as I know of. None of my relatives got any land in I. T.

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, kindly state when your mother was born. Also state why the names of your grandparents on your mother's side, and their ancestors who were living in 1835 and 1851, do not appear on the Cherokee rolls of those dates.

Which of your ancestors do you claim were living in 1835 to 1850, and where did they live? Give the county and state, if possible.

Was your mother ever held as a slave? Do you claim any Cherokee descent through your father? Why has not your mother made application? What is her present address? When did Powhatan die?

Kindly answer the above questions in detail, and refer to application No. 19342.

Very respectfully,

Special Commissioner.

By

Chief Clerk.

November 27, 1907.

Jacob Logan,
Watson, Ga.

Sir:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you are advised that it appears from your application, that you claim through your mother, Leitha Logan, formerly Brickstaff, to your grandmother, Leitha Brickstaff, formerly Sitting-down, to your great grandparents, John and Mary Sitting-down. It does not appear that your mother and grandparents under the names as set forth in your application, were enrolled with the Eastern Cherokees in 1851.

Will you please state by what name your mother, Leitha Logan, was known in 1851, also whether she was enrolled with the Eastern Cherokees in 1851, and if she was not enrolled, give the reason why. Also state the age of your mother, her present postoffice address, and the name by which she is now known. Has she filed an application for participation in the Eastern Cherokee fund? If so, under what name has she applied for the same, and if not, why has she not done so? Was your great grandmother, Mary Sitting-down, an Indian, white woman or negro? If she was an Indian, to what tribe of Indians did she belong? Was your grandfather, Glass

Jacob Logan,

Sir:-

On November 27th last, we wrote you requesting certain information in reference to your application #19349. As yet we have received no reply and it is very necessary in order to consider your application further, that you give us the information asked for.

Your mother and grandparents on your mother's side do not appear on any Cherokee roll. However, the name of "Sittingdown" is on the roll of 1835, but without additional information as to family, etc., we are unable to connect you with this "Sittingdown". Where was your great grandfather living in 1835 and how many children and members of the family were there at that time?

Kindly give the reason why your mother has not made application and why her name does not appear on the Cherokee roll of 1851. Were either of your parents ever held as a slave? If so, state whether they were owned by white people or Indians.

Give all the information you can as to where your great grandparents lived and died and their age at the time of death; also your great grandparents' ages and place where living at the time of their death.

Kindly reply promptly, giving all the information herein
requested, and refer to application #19349 with #19340.

March 20, 1908.

James P. Mitchell,
Alpharetta, Ga.

Sir:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, kindly explain why your name does not appear on the roll of 1851 and why that of your father does not appear on the rolls of 1835 and 1851. Do you claim any Cherokee descent through your mother? If so, set out the source of the same.

None of the persons mentioned in your application appear on any Cherokee roll. It will be absolutely necessary that you show that they were on the said rolls under some name, or fully account for their failure to be enrolled, and in addition show that they were members of the Cherokee tribe in 1835 and 1846.

Were you ever held as a slave? Was either of your parents ever so held? If so, state whether you or they were owned by white people or Indians.

Give all the information you can, tending to establish your right to participate in the distribution of this fund.

Very respectfully,

Special Commissioner.

When he was about 16 years old he came from Oglethorpe Co., Ga to Atlanta, Ga. He was in the employment of the R. R. State Shops for some eight years. then he came from there to Forsythe Co. He claimed his Indian blood through his father. I think his father was a farmer in Oglethorpe Co. My wife never know her grand'ather. Her father would not say much about his people. ~~ix~~ I understand from my wife that her father's father was a man who owned a good deal of property. App. No. 19357

December 11, 1907.

Malinda Anderson,
Cumming, Ga.

Madam:-

Relative to your application, No. 19357, for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you state in your application that you claim Indian blood through your father, Robert M. Galloway who was part Cherokee Indian. What reason have you for saying he was a part Cherokee? Where did he get his alleged Cherokee blood, and to what degree or to what extent was he a part Cherokee? Did the Eastern Cherokee tribe of Indians as a tribe ever recognize him as being a part Cherokee and entitled to the rights of the tribe? Did he ever live among them and throughout his life pass as a Cherokee Indian?

You say your father, Robert M. Galloway was born in Georgia. In what part of Georgia was he born? Was it not in Oglethorpe County? If so, was he living there in 1835. You state you think he was living in Forsythe County, Ga. in 1851. What reason have you for this opinion? If he lived in Forsythe County in that year, why was he not enrolled with the tribe at that time? Did he receive any money paid by the Government to the Eastern Cherokee Indians in 1852? If not, why was he not thus recognized when

W.M.G. 2

Were you or any of your ancestors ever held as slaves? Since the name of your father, William M. Galloway, who died as late as 1886, does not appear to have been enrolled in 1851 nor in 1835, nor does the name of his father, John Galloway, appear to have been enrolled at those periods.

You must furnish this office with good, sufficient, direct and conclusive evidence, showing them to have in fact been duly recognized Cherokee Indians at the times of the treaties of 1835-6 and 1846, or that they are descended from some Indian ancestor who was recognized at that time, in order that your right and those claiming through you to participate in the present Cherokee judgment may be sustained.

Very respectfully,

Special Commissioner.

Dear Sir:

Yours of recent date to hand,
and in reply to your questions
will answer to the best of my
abilities. I do claim Indian
blood through my father Robert
W. Gallaway. The reason for
saying he was a Cherokee
Indian is his father was a

half-Cherokee. He got his
alleged Cherokee blood through
his father. He lived among the
Cherokee Indians and
passed as one. My father
was born in Eagle Harbor
County. I don't know where
he lived in 1836. We think
the reason he was not
enrolled with the tribe
at that time is because
he was in the war. He
did not receive any money
paid by the Government to
the Eastern Indians in 1852!

I dont know why he was
not required. He died in
1857. I dont know whether
he applied to be enrolled as
a Cherokee Indian or not
I dont know why he did
not if he did not.

Robert M Galloway was
the name my father went
by if he had any other
name we did not know it

gentlemen I now answer your questions as best I can. the reason I asserted that my father Robert M. Galloway was part indian was because I had often heard him say he was, and Mr Lindley & Proser say he was. he inherited his indian blood from his father John Galloway. as to what extent I could not say. I suppose his grand father lived with the Eastern Cherokee before they were taken from this country. I do not know what part of Georgia he was born in. but the reason I say he lived in Forsyth Co. Ga. in 1857 was because my mother said so. I do not know the reason he did not enroll. I do not know where he resided in 1835 or 1836. if he was paid any money in 1852. by the U.S. I did not know it. I do not know whether or not he applied for enrollment in 1884.

Robert M. Galloway was the only name I knew for him. if he had any indian name I do not know what it was. the letter M. stands for Madison. I think. Malinda. Ophelia. Anderson is my full name. none of my people were ever in slavery.

Thomas Poss,

Sir:-

Relative to your application for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, kindly state whether or not you claim any Cherokee descent whatever through your father. If so, set out the source of the same. Also explain fully why the name of your mother and that of your grandmother do not appear on the Cherokee rolls of 1835 and 1851.

It will be absolutely necessary for you to give us such information as will show that the ancestors through whom you claim, were on the rolls of said dates, or to fully account for their failure to be enrolled, and in addition show that some of them were members of the Cherokee tribe in 1835 and 1846.

When did Nancy Laughinggal die, and where? Was your mother or any of your grandparents ever held as a slave? If so, state whether they were owned by white people or Indians.

Kindly reply promptly and refer to application #19374.

Very respectfully,

Special Commissioner.

Sir:

You were notified to appear at Canton, Ga. on July 8th before my assistant, Frank D. Ryan, for the purpose of producing additional testimony in reference to your claim to participate in the judgment of the Court of Claims in favor of the Eastern Cherokees. You failed to appear or produce any witnesses and if you desire your claim given further consideration, it will be necessary that you take steps to secure the additional information herein requested at once. If for any reasons you are unable to answer any given question, kindly so state, that we may know it has not escaped your notice.

1. How much Indian blood does your mother claim, and did she or either of her parents ever live with the Indians as a member of the tribe, if so, when and where did she or her parents reside with them?

2. Did you or your mother or either of her parents appear on any Indian roll, if so, state what roll it was, when made and give the roll's name under which your ancestor may have been enrolled.

3. How are you recognized at the present time in the community in which you live? That is, are you considered by your neighbors to be white, Indian or colored? If colored, was your mother or either of her parents ever held as slaves?

4. About when was Nancy Laughingul born and when did she die?

5. Was she living in 1835, and if so was she married or single at that time, and what county and state was she living in on that date?

Sir:-

You were notified to appear at Jasper, Ga. on July 9, 1908 before my assistant, Harold W. Ketron, and produce additional testimony in the matter of your application to participate in the judgment arising from the Court of Claims in favor of the Eastern Cherokees. You failed to appear or produce any witnesses, and as we will not be in your section of the country again for the purpose of taking testimony, it will be absolutely necessary for you to answer each of the following questions. If you cannot answer any of the given questions, state why, that we may know it has not escaped your notice.

1. As near as possible, name the county and state where each ancestor who was descended from Indians, was born and raised, and if they resided in more than one place, so designate, also state when they resided in each.
2. How are you recognized at the present time in the community in which you live? That is, are you considered white, colored or Indian? If colored, were you or any of your ancestors ever held as slaves, either by Indians or white people?
3. Did you or any of your ancestors ever reside with any tribe of Indians as recognized members of the tribe? (If you answer Question 3 in the affirmative, give the name of each ancestor who lived with the Indians, state when and where they lived with them and give the name of the tribe).
4. Were you or any of your ancestors ever on any Indian roll? (If you answer "Yes" to Question 4, state on what roll your name or theirs appears, and the various names under which you or they were enrolled).
